In the interest of a prompt and judicious settlement of this case, consistent with the public interest, statutory requirements and the responsibilities of the Arizona State Board of Pharmacy ("Board") and under A.R.S. §§ 32-1901, *et. seq.* and 41-1092.07(F)(5), Loren Dorstad ("Respondent"), holder of Pharmacist License Number 14050 in the State of Arizona, and the Board enter into the following Recitals, Findings of Fact, Conclusions of Law and Order ("Consent Agreement") as a final disposition of this matter.

1. Respondent has read and understands this Consent Agreement and has had the opportunity to discuss this Consent Agreement with an attorney, or has waived the opportunity to discuss this Consent Agreement with an attorney.

2. Respondent understands that he has a right to a public administrative hearing concerning the above-captioned matter, at which hearing he could present evidence and cross examine witnesses. By entering into this Consent Agreement, Respondent knowingly and voluntarily relinquishes all right to such an administrative hearing, as well as rights of rehearing, review, reconsideration, appeal, judicial review or any other administrative and/or judicial action, concerning the matters set forth herein.

3. Respondent affirmatively agrees that this Consent Agreement shall be irrevocable.

4. Respondent understands that this Consent Agreement or any part of the agreement may be considered in any future disciplinary action by the Board against him.

5. Respondent understands this Consent Agreement deals with Board Complaint No. 3359 involving allegations of unprofessional conduct against Respondent. The investigation into these allegations against Respondent shall be concluded upon the Board's adoption of this Consent Agreement.

6. Respondent understands that this Consent Agreement does not constitute a dismissal or resolution of any other matters currently pending before the Board, if any, and does not constitute any waiver, express or implied, of the Board's statutory authority or jurisdiction regarding any other pending or future investigation, action or proceeding.

7. Respondent also understands that acceptance of this Consent Agreement does not preclude any other agency, subdivision, or officer of this State from instituting any other civil or criminal proceedings with respect to the conduct that is the subject of this Consent Agreement.

8. All admissions made by the Respondent in this Consent Agreement are made solely for the final disposition of this matter, and any related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, any

admissions made by Respondent in this Consent Agreement are not intended for any other use, such as in the context of another regulatory agency's proceedings, or civil or criminal proceedings, whether in the State of Arizona or in any other state or federal court.

9. Respondent acknowledges and agrees that, upon signing this Consent Agreement and returning this document to the Board's Executive Director, he may not revoke his acceptance of the Consent Agreement or make any modifications to the document regardless of whether the Consent Agreement has been signed by the Executive Director. Any modification to this original document is ineffective and void unless mutually agreed by the parties in writing.

10. Respondent understands that the Consent Agreement shall not become effective unless and until adopted by the Board and signed by its Executive Director.

11. If a court of competent jurisdiction rules that any part of this Consent Agreement is void or otherwise unenforceable, the remainder of the Consent Agreement shall remain in full force and effect.

12. Respondent understands and agrees that if the Board does not adopt this Consent Agreement, he will not assert as a defense that the Board's consideration of this Consent Agreement constitutes bias, prejudice, prejudgment or other similar defenses.

13. Respondent understands that this Consent Agreement is a public record that may be publicly disseminated as a formal action of the Board and may be reported as required by law to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

14. Respondent understands that any violation of this Consent Agreement constitutes unprofessional conduct and may result in disciplinary action. A.R.S. §§ 32-1901.01(B)(20), -1927(A)(1).
