RE: Live Student and Health Care Professional Continuing Education Webinar Hosted by
FDA's Division of Drug Information

The National Association of Boards of Pharmacy (NABP) is pleased to announce that the Food and Drug Administration (FDA) Center for Drug Evaluation and Research, Division of Drug Information is presenting a series of **continuing education** webinars targeted toward health care professionals and future clinicians who wish to learn how to find relevant FDA regulatory information that will improve drug safety. The webinars are presented by FDA staff.

The seventh webinar of 2016:

Understanding Abuse Deterrent Opioids

Date: Thursday, December 8, 2016

Time: 1 PM EST | 10 AM PST

Duration: 60 minutes

This webinar will discuss the various properties of abuse-deterrent opioids, how FDA evaluates and determines labeling for abuse-deterrent properties, and the impact these formulations have on health care providers.

The FDA Center for Drug Evaluation and Research is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (ACPE Universal Activity Numbers 0601-0000-16-119-L04-P/T). This program meets the criteria for one contact hour (0.1 CEU) of continuing pharmacy education.

NABP encourages you to forward this information to your staff and to health care professionals in your state.

For more information and to learn about future webinars, please visit www.fda.gov/DDIWebinars.
