

NOTICE

Due to a change in statute, the Board of Pharmacy will begin requiring fingerprint clearance cards in August 2016. To facilitate the changeover from fingerprint cards to clearance cards, we will stop accepting fingerprint cards at the close of business on **July 15, 2016**.

If you have not submitted your fingerprint card and fee by that date, you will be required to submit a fingerprint clearance card to complete your application. There will be NO exceptions to this requirement.

The fingerprint clearance card effective date will be posted on our website (<https://pharmacy.az.gov/>). DO NOT apply for a fingerprint clearance card prior to the effective date.
